Welcome to Kaipara Coast Sculpture Gardens

Kaipara Coast Sculpture Gardens is a unique sculpture trail set in a tranquil, rural, garden oasis. The combined vision and grit of landowners David & Geraldine Bayly, curator Sally Lush and artists has resulted in an inspiring contemporary art treat for locals and visitors.

Against the backdrop of the Kaipara harbour, the one kilometre trail winds through a secluded valley containing a slice of almost every type of iconic New Zealand landscape: mown lawns, fruit tree orchard, grassy slopes, regenerating bush, old farm fences, pine forest, potagers, and ponds.

Kaipara Coast Sculpture Gardens brings to life the vision of Kaukapakapa local, David Bayly, who twenty years ago learnt to propagate plants on a piece of his father's land. David bought part of the family farm, and then set up a specialist plant nursery and Garden Centre, building a reputation for quality plants and service. In 2008 Kaipara Coast Plant Centre became the best Garden Centre in the North Island as part of the Yates Garden Centre of the Year Award.

Exhibition 2010, the second exhibition at Kaipara Coast Sculpture Gardens features sculpture in wood, steel, stone, glass, ceramic, sound, and installation works that have been selected and developed for each context to make mini-galleries within the valley. Works are revealed as the path twists and turns, revealing vistas from vantage points where picnic spots and seating invite visitors to rest and contemplate the art and gardens.

Exhibition 2010 will run until October 2010 enabling visitors to have a fresh experience of the artworks and gardens as the seasons change.

About the trail

The Sculpture Trail at Kaipara Coast Sculpture Gardens is an easy 1km walk on gravel paths which are accessible for mountain buggies but not wheelchairs or walking frames.

Allow 1 to 1 1/2 hours to enjoy the walk fully and take in all the sculptures. The Trail is open daily from 9am to 5pm with last entry at 4pm.

There are many seats along the path to allow for resting and contemplating the views and sculptures.

The sculptors have spent many hours of "Blood, sweat and tears" to create these sculptures, please respect this by not touching or climbing on the artworks (except where indicated by a sign).

No dogs (Except Guide Dogs).

Adults, to keep your children safe please supervise them around the sculptures and ponds. Any damages incurred will need to be paid for.

To enhance your viewing experience please follow the gravel pathway in numerical order as the trail has been designed to optimise the views of each sculpture. Also, remember to visit the seven sculpture sites on our entry and exit driveways.

Please respect the environment by not removing any plant material. Please take any rubbish with you. Due to the fire risk, Please No Smoking.

Sales

To purchase the sculptures make a note of the catalogue details and proceed to the retail counter at the start / finish of the Sculpture Trail. You can purchase using cash, cheque, Eftpos, Visa, MasterCard or Amex. Prices include GST.

We are happy to assist with freight and installation when required. Delivery and installation costs where appropriate are detailed on the display panels at each sculpture. Sally Lush, the curator can be contacted on 027 260 9486 or Plant Centre staff can further advise on details relating to specific sculptures.

While all care has been taken to ensure your safety, you enter the premises at your own risk and Kaipara Coast Sculpture Gardens accept no liability for injury to yourself or the loss or damage to your property.

You also accept that you will pay for any damage incurred by you or members of your party to the sculptures.

By entering the property you agree to these conditions.
